FORWARD

In the absence of democracy and democratic institutions, it is bureaucracy and bureaucratic institutions, which hold and exercise all powers of rule in a country.

With the imposition of One-Unit in 1955, followed by Martial Law in 1958 for its preservation, all democracy and all democratic institutions were crushed, and have still not fully revived, except in so far as they could serve the ends of bureaucratic rule in the country.

Sindh suffered under the anti-people rule of bureaucrats in Sindh, since the persons who ruled belonged mostly to areas and interests outside Sindh, and couldn't really help exercising their power accordingly.

In putting together this Who-Is-Who of the bureaucrats in Sindh during the last 15 years, there is no intention of apportioning blame, The only thing intended to be gained if focusing attention on the *fact as it is*. It is for those who may feel concerned to draw conclusions, and to discover and even apply remedies for ensuring rule of the people and by the people of Sindh for, so far as *rule for the people* is concerned, even the greatest of tyrannies in history have claimed their rule to be so.

At that time there were three Divisions in Sindh; Karachi, Hyderabad & Khairpur. The data provided above is for two Divisions i.e., Hyderabad & Khairpur, there was not a single Sindhi posted as Commissioner and only two Sindhi DIG's were posted in Khairpur Division during this period. Sindhis were holding only 25% of the posts whereas their population in the province was above 76%. Interestingly only one Bangali was posted out of
