NORTHERN DIVISION.

F. G. PRATT, Esq., I.C.S., Commissioner, N. D.

CENTRAL DIVISION.

G. W. HATCH, Esq., I.C.S., Commissioner, C. D.

SOUTHERN DIVISION.

J. GHOSAL, Esq., C.I.E., I.C.S., Commissioner, S. D.

(1) NUMBER OF ESTATES UNDER MANAGEMENT.

Northern Division.—At the beginning of the year under report, there were 23 estates (1 large and 22 small) under management. Three estates (2 in Surat and 1 in Kaira) were released while one estate (in Ahmedabad) was newly taken under management. The year thus closed with 21 estates under management (1 large and 20 small).

Central Division.—At the beginning of the year there were 12 small estates under management—2 in each of the districts of Ahmednagar and Sholapur, 3 in Nasik and 5 in West Khandesh. No new estate was added during the year while 2 estates in the West Khandesh district were released from management on account of the minors having attained majority. Statistical information regarding the 10 estates under management at the close of the year is given in the accompanying three statements.

2. The Collector of Sholapur was appointed by the District Judge as guardian of the large estate of minor Shrikisan Narayandas Bhaya of Sholapur. As the order was passed at the close of the year charge of the estate could not be assumed during the year.

Southern Division.—At the beginning of the year there were 31 estates under management. Two estates in Belgaum were released and 3 new estates—2 in Belgaum and 1 in Bijapur—were taken over. The year thus closed with 32 estates under management.

(2) INCOME.

Northern Division.—The total gross income of the estates during the year amounted to Rs. 58,599 as against Rs. 48,152 during the preceding year. The increase is due to the following reasons:—

- (a) In the Ahmedabad District, an increase of Rs. 8,272 is due partly to good recoveries and partly to the addition of the income of the Vatva estate newly taken under management.
- (b) In the Kaira District, the increase of Rs. 7,474 is due to the sale-proceeds of the landed property of the Piplao estate in order to pay off its heavy debts.

As a set off against these special items of increase, there has been a decrease of Rs. 3,707 in the Broach District due mainly to the absence of recovery of heavy arrears as in the previous year.

The income of the estates in the Surat District shows a decrease of Rs. 1,592 due to the release of 2 estates from management.

Central Division.—The gross income of the estates amounted to Rs. 8,729 as against Rs. 10,612 in the preceding year. The decrease is due partly to the handing over of the 2 estates in the West Khandesh District and partly to smaller receipts in the estates in the Nasik District.

Southern Division.—The gross income fell from Rs. 93,579 to 81,898. The decrease is due partly to the release of 2 big estates in Belgaum, and partly to the fact that last year's figures included collections of past arrears.

(3) EXPENDITURE.

Northern Division.—The total gross expenditure of the estates under management rose from Rs. 47,653 to Rs. 58,183. The increase is mainly due to:—

- (a) payment of private debts of the estates to the extent of Rs. 6,977.
- (b) investment of Rs. 5,272 in Broach, in Government securities.
- (c) expenditure on marriages and house repairs, etc., to the extent of Rs. 897.

Central Division.—The gross expenditure amounted to Rs. 7,488 as against Rs. 7,800 in the previous year. The decrease is due partly to the release of 2 estates in the West Khandesh District and partly to smaller expenditure of the estates in the Nasik District.

2. Out of Rs. 7,488, Rs. 3,000 were spent for the marriage ceremony of the sister of ward Deshmukh in the Sholapur District.

Southern Division.—The total gross expenditure amounted to Rs. 54,552 as against Rs. 70,364 which included Rs. 10,500 invested last year in Government Promissory Notes.

(4) COLLECTION OF ESTATES' DUES.

Northern Division.—Out of the total demand of Rs. 54,217 as against Rs. 54,065 of the preceding year, Rs. 39,816 were collected. Rs. 396 were converted into bonds or decrees and Rs. 1,150 were written off, leaving a balance of Rs. 12,855 (Rs. 4,305 current and Rs. 8,946 arrears) as authorised arrears.

Central Division.—The total demand was Rs. 11,219, of which Rs. 7,335 were recovered, leaving a balance of Rs. 3,784, of which Rs. 3,044 pertain to the estate of Deshmukh in the Sholapur District. Most of the outstanding balance of this estate has been suspended on account of failure of crops.

Southern Division.—Out of the total rental demand of Rs. 72,081, Rs. 54,887 or 76·14 per cent. were collected as against 84·61 per cent. and Rs. 2,348 were written off, leaving a balance of Rs. 14,793; the Hebli estate alone (in Dharwar) is responsible for arrears of Rs. 5,327 and steps are in progress for their recovery. In Ratnagiri the rental demand was collected in full and the arrears in other districts are not large. Recourse to Revenue Courts was necessary for the realisation of rent in Kanara, Kolaba and Bijapur.

(5) GOVERNMENT REVENUE, CESSES AND RENTS.

Northern Division.—All Government dues ordered to be paid according to the anna valuation of crops were paid up in full during the year under report.

Central Division.—All Government dues were paid by the estates.

Southern Division.—Government dues were paid up in full except suspended revenue.

(6) COST OF MANAGEMENT.

Northern Division.—The total cost of management amounted to Rs. 4,176 or 7·1 per cent. of the total gross income as against Rs. 2,210 or 4·6 per cent. during the previous year. The rise in the cost of management is due to the recovery of the management charges of some estates in arrears in the Ahmedabad District.

Central Division.—Only 2 estates of Deshmukh and Mohanlal in Sholapur and Nasik districts respectively paid towards cost of their management which amounted to 1 and·7 per cent. of their incomes respectively. The Collector states that steps have been taken to reduce the cost of the latter estate. The management of the remaining estates was conducted departmentally through the Mamlatdars of the respective talukas.

Southern Division.—The aggregate cost of management was Rs. 7,478 or 9·1 per cent. of the total gross income as against Rs. 7,567 or 8·1 per cent. Only in 4 estates—1 in Belgaum and 3 in Dharwar—the incidence of cost exceeded the prescribed limit of 10 per cent. The increase in Belgaum was slight and that in Dharwar was due to the rental arrears having remained uncollected especially of the Hebli estate.

(7) ADVANCES TO CULTIVATORS.

No advances were made during the year to tenants by any of the estates.

(8) SPECIAL SCHEME FOR MANAGEMENT.

Northern Division.—Two estates in Ahmedabad were given on lease, while the rest were managed departmentally.

Central and Southern Divisions.—No special scheme was framed or undertaken.

(9) MAINTENANCE AND EDUCATION OF MINORS.

Northern Division.—The total gross expenditure under this head amounted to Rs. 8,740 as against Rs. 8,637 during the previous year. The increase is nominal and requires no explanation.

The number of minors of school-going age was 22 (2 in Ahmedabad, 14 in Broach and 6 in Kaira) against 27 during the previous year. Of these only 15 (2 in Ahmedabad, 7 in Broach and 6 in Kaira) are taking education either in local English or Vernacular Schools and 1 in the Broach District is attending the Arts College in Baroda. One of the minors in the Kaira District passed the Matriculation examination and is now employed in Government service.

Central Division.—Out of the 10 minors 5 are with their relatives who maintain them. All reasonable demands for the maintenance of the remaining minors continued to be satisfied.

2. Out of the 10 minors 7 are males and 3 are females. The person of none of the minors is under superintendence. The 3 female minors do not go to school. Out of the 7 males—

1 is learning Commercial business.

2 are doing nothing.

1 tends the sheep and goats of his grandfather who maintains him.

3 are receiving education in Vernacular schools.

7

Southern Division.—All reasonable demands for the maintenance of the minors and their relatives dependent on them continued to be satisfied.

Of the 37 minors, 34 are males and 3 females. Of the 34 males—

3 have left school.

19 are receiving education in primary schools.

11 are receiving education in English Schools.

1 is studying in the Karnatak College.

The Hebli (Dharwar) wards are now of age. The appeal in the Privy Council has been decided in their favour and the estate continues under management pending Government orders for its release. The ward of one more estate in Dharwar has attained majority and the estate will shortly be handed over.

(10) REPAYMENT OF DEBT AND EXISTING LIABILITIES.

Northern Division.—The debts due by the estates on the assumption of management amounted to Rs. 1,12,204 as against Rs. 1,02,109 reported last year. The increase is due to the assumption of management of the Vatva estate in Ahmedabad which is indebted to the extent of Rs. 10,565. The amount of Rs. 1,12,204 was by the commencement of the year under report, reduced to Rs. 46,125. Additional debt to the extent of Rs. 11,856 was incurred during the year. The total liabilities thus rose to Rs. 57,981. Claims amounting to Rs. 450 were remitted by creditors and Rs. 16,055 were paid from current income. Rs. 8,440 in

Kaira were paid by sale of property. The total liabilities at the end of the year thus stood at Rs. 33,835. The liquidation of debts was satisfactory.

Central Division.—Only 2 estates—Marwadi and Renukabai—in the Nasik District are in debt. The aggregate debt due at the beginning of the year was Rs. 3,450 which remained unpaid at the end of the year for want of funds. The Collector states that as the balances of the estates at the end of the year are satisfactory it may be possible to pay off some of the debts in the current year.

Southern Division.—The total repayment of debt amounted to Rs. 1,800 as against Rs. 4,290.

Belgaum.—Only 2 estates are in debt and the annual instalments have been paid.

Dharwar.—Only 2 estates are in debt; the annual instalment due from 1 estate (Shirkol, Kulkarni) could not be paid as the creditor was dead and enquiry is in progress as to his heirs. In the case of the other, the instalment was not due.

Kolaba.—Of the 2 estates, 1 is in debt to the extent of Rs. 66 only which will be repaid next year.

Bijapur, Kanara and Ratnagiri.—All the estates are free from debt.

(11) LITIGATION.

Northern Division.—In addition to the suit that was pending at the beginning of the year, 3 more were filed in the Ahmedabad District. One of these was withdrawn. The year thus closed with 3 suits pending.

Southern Division.—The Collector of Belgaum was concerned as plaintiff or defendant in 7 suits, of which 2 were decided in favour of the wards, and 5 were pending at the close of the year.

As the judgment-debtors failed to pay the first instalment of debt due to a Kolaba ward, steps are being taken for the execution of the decree and recovery of the whole amount.

(12) GENERAL REMARKS.

Northern Division.—During the year under report, surplus balances to the extent of Rs. 5,272 in the Broach District and Rs. 1,450 in the Kaira District were invested in Government Securities and Postal Certificates.

The administration by Government agency of the minors' estates continued to be beneficial to the minors concerned.

Central Division.—The administration of the estates through local officers has been satisfactory.

Southern Division.—The accounts of the estates were for the first time audited by the Local Audit Department in accordance with Government Resolution, Revenue Department, No. A.—66 of 9th November 1921. No serious irregularities were noticed.

The Record of Rights was introduced in 2 Inam Villages of the Bhuyar estate in Bijapur.

The management of the estates by the Collectors has been satisfactory and continues to be popular.

L. J. MOUNTFORD, Esq., I.C.S., Commissioner in Sind.

Assumption and relinquishment of estates.—The year opened with twelve estates under management, to which three (one in the Nawabshah District, one in the Sukkur District and one in the Hyderabad District) were added. As one estate in the Nawabshah District was released, the number of estates under management at the close of the year was 14.

In no case was the guardianship of the person of a minor with the Collector.

Income.—The total gross income of the estates was Rs. 5,723 as against Rs. 1,923 in the last year. The increase is mainly due to the fact that a sum of Rs. 3,175 was realized this year by sale of three building plots in the Sukkur District.

Expenditure.—The expenditure during the year amounted as under to Rs. 3,043 as against Rs. 1,493 in the preceding year:—
