

REPORTS

ON THE

ADMINISTRATION OF THE ESTATES UNDER THE MANAGEMENT OF THE COURT OF WARDS

IN THE

NORTHERN, CENTRAL AND SOUTHERN DIVISIONS AND SIND

For the year ending 31st July 1908.

Northern Division.

R. P. BARROW, Esq., Commissioner, N. D.

Central Division.

THE HON'BLE MR. W. T. MORISON, COMMISSIONER, C. D.

Southern Division.

C. HUDSON, Esq., Commissioner, S. D.

(1).—NUMBER OF ESTATES UNDER MANAGEMENT.

NORTHERN DIVISION.

At the close of the preceding year there were 10 estates under management. None having been released, this number was increased to 11 by the addition of Desai Shivabhai Vallavbhai's estate in the Naditd Taluka of the Kaira District.

CENTRAL DIVISION.

At the beginning of the year there were two estates under management. Three were added during the year and none was released.

SOUTHERN DIVISION.

In Belgaum the number of estates under management, at the beginning of the year, was six. Two more were taken up during the year and one of them, Shindi Kurbet, came under temporary management at the close of the year under Section 10 (1) (a) of the Court of Wards Act. In Bijapur the superintendence of the Tignibidri Jahagir was assumed on the 5th of March 1908. The management of the estate of the Nevalkar brothers of Vizaidurg in Ratnagiri did not come under Government management till the 4th September 1908; and accordingly, this report does not include that estate.

(2).—INCOME.

NORTHERN DIVISION.

The total gross income of the year was Rs. 1,14,953, the greater part being obtained from rents of land. The large receipts under "Other dues" are accounted for by—

- (1) Sale of forests in the Salia and Khabda estates,
- . (2) Presents from Vaishnavs to the Mota Mandir in Surat, and
- (3) Moglai Haks paid by the British and Gackwadi Governments to the Nagar Seth in Surat.

CENTRAL DIVISION.

Of the five estates, two came under management so late in the year that no figures are available. The total income of the other three estates was only Rs. 16,360. There was an opening balance of Rs. 4,888 at the beginning of the year.

Southern Division.

The total income of the estates in Belgaum except No. 8 was Rs. 99,105 and 26½ khandis of rice valued at Rs. 2,252, of which Rs. 81,448 and about 23 khandis of rice were recovered on account of rent of agricultural lands. The remainder was derived from various other sources. The gross income of the Tignibidri Jahágir amounted to Rs. 3,256, of which only Rs. 1,700 were recovered by the Court of Wards, as the remainder has already been recovered and appropriated by the Jahágirdárs themselves before the assumption of the Jahágir.

(3).—EXPLNDITURE.

NORTHERN DIVISION.

The total gross expenditure, exclusive of the amount paid towards the liquidation of debts, was Rs. 85,511. The expenditure under each head was as under:—

Rs. 26,260 Government dues.

7,107 Cost of management.

", 13,008 Maintenance and Education of Wards.

" 47 Interest and Rent.

" 39,089 Miscellaneous.

Rs. 85,511.

Of the expenditure under the last mentioned head "Miscellaneous expenses", Rs. 27, 242 were incurred by the Mota Mandir estate. This amount includes the cost of daily offerings of food to the idol, incidental expenses connected therewith, and the up-keep of horses, bullocks, etc., all of which are necessary in view of the high religious position the Maharáj occupied among the Vaishnavs who contribute so largely towards his income. His income under "Miscellaneous" amounted to Rs. 27,888. Large sums were also spent by the Wadia and Gandevi estates on marriages and other ceremonials.

CENTRAL DIVISION.

The expenditure of the three estates was Rs. 17,263.

SOUTHERN DIVISION.

In Belgaum the total expenditure was Rs. 58,413 and 43 khandis of rice valued at Rs. 3,655. Rs. 20,468 and Rs. 10,715 were on account of Government dues and cost of management, respectively. Rs. 4,445 were paid as allowances to the Kaujalgi and Shirsangi widows. The amount also includes the cost of the latter's establishment. Rs. 2,113 were on account of temple expenses and Rs. 2,505 were spent on repairs to buildings, tanks and wells. Rs. 1,545 were paid as refund of a deposit.

The total expenditure in the case of the Tignibidri estate in the Bijspur District was Rs. 1,080, of which Rs. 780 were on account of Government dues. Rs. 285 were paid towards the maintenance of the wards and the small amount of Rs. 15 was for miscellaneous items of expenditure.

(4).—COLLECTION OF ESTATES' DUES.

NORTHERN DIVISION.

Rents were on the whole collected satisfactorily, some SO per cent. of the demands for the current year having been recovered. There are, however, large arrears of previous years still to be recovered in the Shah Alam and Desai estates in Ahmedabad and Broach, respectively, and it is probable that the poverty of the season is responsible for more satisfactory progress in recovery not having been made. In the Desai estate the question of writing of as irrecoverable a large proportion of the old arrears, the recovery of which is almost hopeless, is under consideration.

CENTRAL DIVISION.

Of a total rent demand of Rs. 18,522, only Rs. 10,791 could be collected on account of the poor scason.

SOUTHERN DIVISION.

In Belgaum the total land revenue demand was Rs. 89,450 and 30 khandis of rice valued at Rs. 2,550. Of this Rs. 77,301 and 26½ khandis of rice were recovered. Rs. 6,465 and 11 khandis of rice were also recovered on account of

former years. Remissions to the extent of Rs. 2,219 for 1907-08 and Rs. 9,531 for previous years were granted and Rs. 2,868 on account of 1907-08 were suspended. The bulk of the balance for collection is due from the touants of the Shirsangi Desgat estate which suffered from bad seasons and in which the rents fixed by the late Sir Desai are comparatively high.

The Jahágirdárs of Tignibidri in Bijápur left no arrears of past years with their tenants. The land revenue recoveries portaining to this Jahágir amounted to Rs. 1,482 and the balance that remained to be recovered at the close of the year was Rs. 141 on account of "Khaskamat" lands, i. c., lands got cultivated by the Jahágirdárs themselves, and Rs. 96 on account of Rayatwari lands.

(5).—GOVERNMENT REVENUE, CESSES AND RATES.

NORTHERN DIVISION.

The total amount paid to Government on account of land rovenue, etc., was Rs. 26,260. Except for a sum of Re. 0-14-11, no romission was granted by Government to the estates under management.

CENTRAL DIVISION.

The total Government demand paid for the three estates was Rs. 6,641. No remissions were granted by Government.

SOUTHERN DIVISION.

Rs. 20,468 were paid in satisfaction of Government dues in connection with the estates in the Belgaum district and a sum of Rs. 694 was paid on account of arrears of quit rent due by the Kokatnur estate. Neither did Government dues remain unpaid nor were any remissions granted by Government during the year.

The Tignibidri Jahágir in Bijápur paid Government dues amounting to Rs. 780, and it is reported that a sum of Rs. 140 payable to Government on account of judi and assessment of former years from 1904-05 has been suspended. The Collector is being asked to see whether the amount includes dues which can be remitted under Rule 6(i) of the Suspension and Remission Rules.

(6).—COST OF MANAGEMENT.

NORTHERN DIVISION.

The cost of management on all the estates taken together was 5 per cont. on the gross income realised. It was highest in the Shah Alam estate, being (excluding the payment of arrears of pay) 23 per cent. on the gross income of the year, due to the appointment of a special manager. The cost of management in the Desai estate works out to 10 per cent. of the gross income of the year, but with the addition of the village of Kalam and the Palkhi allowance which Government have since continued to the estate, the income will be augmented and the percentage of the cost of management reduced.

CENTRAL DIVISION.

As regards estate No. 2 no special establishment has yet been entertained; the collection of dues was made through the village officers. For estates Nos. 1 and 4, the total cost was Rs. 1,175.

SOUTHERN DIVISION.

Nothing was spent under this head for the Tignibidri Jahágir in Bijápur. In Belgaum the total cost on this account was Rs. 8,160, of which Rs. 3,907 was for the Collector's establishment specially entertained for the managed estates.

1(7).—ADVANCES GRANTED TO CULTIVATORS.

NORTHERN DIVISION.

No advances were granted to the cultivators in any of the estates under management.

CENTRAL DIVISION.

No advances were granted during the year.

SOUTHERN DIVISION.

No advances were granted to cultivators.

(8).—SPECIAL SCHEMES FOR MANAGEMENT.

NORTHERN DIVISION.

No special scheme for management has been framed for any of the estates. The Osára Inámdár in Broach had incurred debts to the extent of Rs. 24,000. Two of his three creditors have been paid off partly with money borrowed from the third to whom the whole estate is now mortgaged and the whole debt now carries interest at $4\frac{3}{4}$ per cent. per annum.

CENTRAL DIVISION.

No special scheme was adopted for management.

SOUTHERN DIVISION.

There was no special scheme for management of any of the estates. Mr. Brendon's policy is to redeem unfavourable mortgage as he says, he can generally secure better terms than the estate owners. In Bijápur a loan at moderate interest is to be raised to pay off creditors.

(9).—MAINTENANCE AND EDUCATION OF WARDS.

NORTHERN DIVISION.

The total amount spent under the head was Rs. 13,008. The only Government wards of school-going age are the Desai of Broach and the young Maháráj and Nagár Seth of Surat. The young Desai is being educated in the Broach High School and the reports of his progress and conduct are satisfactory. The education of the Maháráj of Surat is supervised by a committee composed of a Shástri, a retired Sub-Judge and the Deputy Educational Inspector. His progress is reported to be fair. The Nagar Seth attends a private English school in Surat and is in the 2nd standard. His progress is said to be retarded by indifferent health.

CENTRAL DIVISION.

Mr. Sadáshivráo Rámráo Fadnis (age 21) is at Indore under the guardianship of the Superintendent specially appointed by the Indore Darbár to manage his estate in that State. Mr. Ganpatráo Sagájiráo Nimbálkar (age 28) and his relatives receive the following maintenance allowances per month:—

Mr. Krishnaráo Dámodar Hingne (age 24) received his usual allowance during the year and since the close of it has been put in charge of his estate. Sardár Bhivráo Madhavráo Potnis is in receipt of his monthly Darbár grant of Rs. 250.

SOUTHERN DIVISION.

The Kowjalgi boy attends the Sirdárs' High School at Belgaum and is in the 2nd standard. His progress is reported to be satisfactory. The Kowad minors (No. 7) live with their mother at Kowad and attend the village school.

The Nipani Desai is given an allowance of Rs. 250 a month and his brother Jijájiráo Rs. 40. The Kokatnur wards receive no allowance and they have some fields in their possession, the income from which they devote for their maintenance. Allowances are granted to the Kowjalgi Desai's step-mother and the Shirsangi Desai's widow.

A sum of Rs. 1,000 has been sanctioned for the maintenance of the three Jahágirdárs of Tignibidri in Bijápur. The eldest of them is reported to receive Rs. 45 a month and the second, Rs. 25. This arrangement leaves very little (Rs. 13 a month) for the third brother who is said to have married recently. 'e asked to apportion the allowance of Rs. 1,000 amongst a way fair to all.

IENT OF DEBTS AND EXISTING LIABILITIES.

NORTHERN DIVISION.

due on all the estates taken togethor when superintendence nted to Rs. 6,88,657 and by the beginning of the year under reduced to Rs. 6,37,206. Since then fresh debts amounting sen incurred by the Osára estate in order to pay off creditors e and so save interest. During the year current income and property have paid off respectively Rs. 10,059 and Rs. 6,669 anding debt at the close of the year was Rs. 6,22,460. The s no debts is that of the Desai of Broach, for the few unpaid paid in the current year scarcely constitute debt. Most of Sosára which is heavily involved will, it is anticipated, be som five to ton years. The Gandevi Desai and Wadia estates ared, but Government have now directed withdrawal from both.

Letter from the Manager, Incumbered Estates in Sind, No. 1723, dated 13th November 1908—Submitting the annual report on the management of private estates in Sind by the Court of Wards for the year ending 31st July 1908.

Memorandum from the Commissioner in Sind, No. 442, dated 13th December 1908.

Letter from the Commissioner, C. D., No. T.V.E.—678, dated 27th February 1909—Submitting the annual report on the management of private estates in the Central Division by the Court of Wards for the year ending 31st July 1909.

Letter from the Commissioner, N. D., No. 1721, dated 16th April 1909—Submitting the annual report on the management of private estates in the Northern Division by the Court of Wards for the year ending 31st July 1908.

Letter from the Commissioner, S. D., No. 2032, dated 3rd June 1909—Submitting the annual report on the management of private estates in the Southern Division by the Court of Wards for the year ending 31st July 1908.

RESOLUTION. — During the year to which the reports refer the number of estates under the management of the Court of Wards rose in all Divisions, and at the end of July 1908, superintendence was being exercised over 25 estates in the Presidency proper and one in Sind. No estates were released during the year, but superintendence has since been withdrawn in the case of two estates which the inquiries made under section 16 of the Act showed to be too heavily incumbered to admit of successful management. The fact that several of the estates were brought under the provisions of the Act so late in the year that their income, assets and liabilities have not yet been properly ascertained detracts largely from the value of the statistical returns.

- 2. The total gross income of the 25 estates in the Presidency proper is shown as Rs. 2,35,927, the expenditure as Rs. 1,63,078 and the closing balance at the end of the year as Rs. 84,916; but these figures leave altogether out of consideration three important estates. The poor season had a perceptible effect on the incomes of the estates, but everywhere, save in the Central Division, the recoveries were satisfactory.
- 3. Considerable progress in the work of debt settlement was made in the Northern and Southern Divisions—the liabilities of the estates being roduced by Rs. 51,451 and Rs. 44,000 respectively. In future reports details should, when available, be given of the amount of reduction in claims secured in consideration of prompt settlement.
- 4. In more than one case Government have noticed with satisfaction the personal attention which under the Act the Collectors, as Managers, have devoted to the interests of the estates concerned.

Under Secretary to Government.
